

San Jacinto River Authority

ADDENDUM NO. ONE

Bid Documents and Specifications for Construction of Lift Station No. 5 Electrical Upgrade **Bid No. RFB 11-028**

Issue Date: June 6, 2011

REVISED Bid Opening Date: Wednesday, June 15, 2011 at 3:00 p.m.

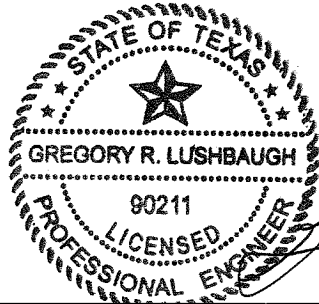

The following instructions are issued as revisions and/or clarifications to the Construction Documents previously issued by Brown & Gay Engineers, Inc. for the above referenced project. These revisions and/or clarifications shall supersede and take precedence over previously issued construction drawings, bid documents, and specifications unless noted below.

CLARIFICATIONS FROM PREBID CONFERENCE

1. REVISED Bid Opening Date: Bids will be received until Wednesday, June 15, 2011 at 3:00 PM.
2. Location of Bid Opening: Bids are due in the 3rd Floor of the General and Administration Division office of the San Jacinto River Authority, 1577 Dam Site Road, Conroe, Texas 77304.
3. Coordination with CenterPoint for Gas Service: The Contractor will provide a written estimate of charges from Centerpoint to SJRA. SJRA will then pay for the gas service installation and the Contractor will coordinate the work with Centerpoint. The CenterPoint contact for the area is Nathan Calhoun, e-mail Nathan.calhoun@centerpointenergy.com, phone (281) 821-1645.
4. Approved Electrical Contractors: W.W. Payton Corporation has been added to the list of approved electrical contractors.
5. Air Conditioner Unit: The proposed AC unit shown on the plans shall be Fredrich, M#ES12L33-C, S#LGJR1673. No exceptions.

Acknowledge receipt of this Addendum (1 page total) in the appropriate space on the Bid Proposal Form.
